

About the Firm

A new standard of development.

Newstreet is a vertically integrated real estate developer with over 500+ units in our development pipeline. We serve institutional and individual investors by delivering strong assets that are built to hold and structured to sell.

Our Values

Conviction and Focus

Newstreet is developing a 48-unit mixed-use multifamily building at Clark and Wrightwood in East Lincoln Park.

Consistency and Execution

Newstreet is developing a 48-unit mixed-use multifamily building at Clark and Wrightwood in East Lincoln Park.

Institutional Discipline

Newstreet is developing a 48-unit mixed-use multifamily building at Clark and Wrightwood in East Lincoln Park.

Our Advantage

Proprietary Deal Sourcing

Newstreet developed an AI-integrated platform that helps us source deals before anyone else on the market can.

⚠ Distress Signals

Newstreet developed an AI-integrated platform that helps us source deals before anyone else on the market can.
